

ABSTRACT SUBMISSION GUIDE - IUPAC PARIS 2019

The Organising Committee invite all scientists involved in the field of Chemistry to submit proposals for oral presentations or posters.

You must indicate your potential conflicts of interest related to the study and theme of your study in the submission.

Important Dates:

The last date for submissions will be **1st April 2019 (deadline postponed)**.

All abstracts received after this date will not be reviewed.

The author will be notified **mid-April 2019** of the Scientific Committee's decision.

Only authors who register for the Congress will be confirmed as abstract presenters.

Submission procedure:

Your abstracts must be uploaded through the submission platform with the following information :

1. 2500 characters maximum (abstract, references and keywords included)
2. Indicate your abstract title.
3. Choose your preferred type of presentation: oral or poster or both oral and poster.
4. Specify the theme, **and then the symposia (both mandatory)**.
5. Fill the block with your text : 2500 characters (with space) maximum
5. Indicate the bibliography if you want to.
6. Upload a figure if you want to and add a caption to your figure.
7. Fill in the blocks with you keywords.
