## ABSTRACT SUBMISSION GUIDE – ECM 33 MEETING 2022

### IMPORTANT DATES:

- Submission is open from February 20<sup>th</sup> to **May 2<sup>nd</sup> 2022, midnight (Paris time)**.
- Selection of oral papers and posters by the Scientific Committee will be done in **May 2022**.
- The author will be notified by **end of May 2022** of the Scientific Committee's decision.
- Only authors who register and pay for the ECM 33 meeting will be confirmed as abstract presenters. You will have to register and pay for the meeting before **regular registration closure on June 18<sup>th</sup>**.

### SUBMISSION PROCEDURE:

Your abstracts must be uploaded through the submission platform, before the deadline date.

The submission platform will require the following information:

1. Indicate your abstract title. **(mandatory)**.
2. Choose your preferred type of presentation: oral or poster communication. **(mandatory)**.
3. Specify the microsymposium **(mandatory)**.
4. Fill in the blocks with your keywords (1 minimum, up to 3 keywords max)
5. Add the co-authors. Specify who is the principal author, the corresponding author and the presenting author (one author can be all).
6. Fill the block with your text and add the references in the second block.
7. Upload a photo or figure (2 max) if you want to and add a caption to your figure.
8. Do not forget to confirm to finalize the submission of your abstract. You will receive an email confirming the submission of your abstract and its official number.

**Only abstracts in English will be reviewed.**

Please, do not hesitate to contact us for any question relating to your abstract submission:
